

We're Going to Orlando!

As one of the world's most visited tourist destinations, Orlando's famous attractions form the backbone of its tourism industry. Orlando is renowned for its many theme and water parks and with the exception of the major theme parks, most attractions are located along International Drive where our hotel is located. The famed I-Trolley is outside our door and we have complimentary daily trolley passes for Friday July 21 and Saturday July 22. The trolley can take us to the many attractions, entertainment, shopping, restaurants, recreation and night life—giving us an infinite list of things to do. Or we can walk.

If you want to visit the theme parks, note that they are an all-day or multiple-day affair. Please consider staying in Orlando days before or after our family reunion so you can fully immerse yourselves in the world's top theme parks. Our hotel will be able to offer room accommodations at group rates up to 3 days before and 3 days after our reunion dates.

During the summer months, high temperatures are typically in the low 90s, lows in the mid-70s. During summer, strong afternoon thunderstorms occur almost daily, along with spectacular lightning and heavy rain. Bring your water and your umbrellas!
